

INTRODUCING OUR LATEST WEED KILLER PRODUCT

Weed Killer Foam
40424

JOHNSON GRASS & WEED KILLER FOAM

Rainbow Technology Corporation introduces a new entry in its line of weed killer products: **Rainbow® Johnson Grass & Weed Killer Foam**. This spray foams on contact, allowing you to see exactly where it's applied while reaching weeds and grasses in the most hard-to-reach places. This effective formula kills weeds and grasses down to the root and becomes waterproof and rainproof 10 minutes after application. Rainbow® Johnson Grass & Weed Killer Foam is perfect for targeting weeds around sensitive utility equipment without killing surrounding plants or grass.

Target unwanted weeds and grass precisely

Sprays upside-down for easy application

Weeds begin to wilt within hours of application

- **Convenient foam in a ready-to-use formula**
- **Waterproof 10 minutes after application**
- **Foam application allows you to see where you sprayed**
- **Kills weeds and Johnson Grass down to the root**
